# Spazio Reale presents: Palazzo Pucci, a location for truly special events

Palazzo Pucci is one of the most important historical mansions in Florence.

Built in the 16th century, it is located in the heart of the city, a few steps from the Duomo.

The area dedicated to conferences, events, dinners, concerts and weddings is composed of the Apollo Grand Hall and the Paride Hall, with a capacity of 180 and 90, respectively.

The interiors of the halls were realized by famous painters and artists such as Giovanni da San Giovanni, Jacopo Chiavistelli and Giovanni Domenico Ferretti.
